Wet Dream

by [MiaQc](#)

Summary

Flash fic. Yuri has a wet dream involving Alice. They are both 18-year-old.

- A translation of [Un rêve mouiller](#) by [MiaQc](#)

Yuri, to escape the nightmares of his past, thinks of Alice. Pure and beautiful Alice. So sweet, so innocent and cute. Without controlling himself, Yuri dreams that he makes love to her. His lips kiss her fair skin, his hands caress her curves, his tongue tastes her soft lips, his fingers enter her secret garden. Alice moans and begs him to give her a child. Yuri, full of desire, wants to give her what she wants when he wakes up with a jolt. He heard Alice scream. He gets up to check on her when he notices his pants are wet. Yuri blushes at the idea of having "let himself go" thanks to a wet dream and he goes to see Alice.

"Alice? Is everything okay?"

"Yes. I just had a nightmare."

"I see. Try to go back to sleep, okay?"

"All right."

Yuri, reassured that Alice is well, washes his pants and underwear before going back to bed.
